**Boards meet on a monthly basis and are occasionally called in for special meetings or work sessions, please note if this would cause a problem and/or what times do not work for you?**

Library time is all good!

**Please explain why you feel qualified to serve the City of Nevada as a member of this board.**

I am a lifelong supporter of libraries, reading, and this community. I am a parent, literary scholar, and creative, but I also have a strong background in communication, record keeping, and following protocol. My personal and professional experience is ideal for this board! I have an MA in English and recently left my PhD program, status ABD. I have taught both high school and college level English, and supported and staffed literacy programs in Belize.

**If appointed to this board, what would be some of your goals and objectives in helping this board move forward?**

I am a strong communicator and am eager to continue expanding on the great work this board is doing by connecting more with other organizations both public and private, and to leverage my own professional contacts in literary academia as needed to continue to bring high quality speakers to our community. In addition, as a parent I am eager to keep the library connecting to younger generations and to families.

**If you have any other comments you would like to share regarding your application or about yourself, please add more below**

**If there is no opening for a position on your board of choice, would you be interested in being considered in the future?**

Yes
