The P.O.S. as of its date is deemed final by the City within the meaning of Rule 15(c)(2)-12 of the Securities and Exchange Commission.

NEW ISSUE - DTC BOOK ENTRY ONLY

NON-RATED

*In the opinion of Dorsey & Whitney LLP, Bond Counsel, according to present laws, rulings and decisions and assuming the accuracy of certain representations and compliance with certain covenants, the interest on the Bonds (i) is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on noncorporate taxpayers by Section 55 of the Code. Interest on the Bonds may, however, be taken into account in determining adjusted financial statement income for purposes of the federal alternative minimum tax imposed on applicable corporations (as defined in Section 59(k) of the Code). In the opinion of Bond Counsel, the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. See "TAX EXEMPTION AND RELATED TAX MATTERS" herein.*

This Introduction is not a summary of this Official Statement but is only a brief description of the Bonds and certain other matters. Such description is qualified by reference to the entire Official Statement and the documents summarized or described herein. This Official Statement should be reviewed in its entirety. The offering of the Bonds to potential investors is made only by means of the entire Official Statement, including the appendices attached hereto. All statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. Copies of statutes, resolutions, ordinances, reports or other documents referred to herein are available, upon request, from the Issuer.

The Bonds are being issued pursuant to the provisions of Chapters 384 and 76 of the Code of Iowa, 2025, as amended (collectively, the "Act"), and a resolution expected to be adopted by the Issuer on March 9, 2026\* (the "Resolution"), to evidence the obligations of the Issuer under a loan agreement between the Issuer and the Underwriter (the "Loan Agreement").

The Bonds and the interest thereon are general obligations of the Issuer, and all taxable property within the corporate boundaries of the Issuer is subject to the levy of taxes to pay the principal of and interest on the Bonds without constitutional or statutory limitation as to rate or amount. See "SECURITY AND SOURCE OF PAYMENT" herein.

Proceeds of the Bonds will be used for the purpose of paying the cost, to that extent, of (a) constructing street, storm water drainage, sidewalk, water system and sanitary sewer system improvements; (b) acquiring and installing street lighting, signage and signalization improvements; and (c) paying certain costs of issuance related to the Bonds. See "PLAN OF FINANCING" and "SOURCES AND USES OF FUNDS" herein.

Additional information concerning the Issuer is included in "APPENDIX A – INFORMATION ABOUT THE ISSUER" hereto.

**SECURITY AND SOURCE OF PAYMENT**

**General**

Pursuant to the Resolution and the Act, the Bonds and the interest thereon are general obligations of the Issuer, and all taxable property within the corporate boundaries of the Issuer is subject to the levy of taxes to pay the principal of and interest on the Bonds without constitutional or statutory limitation as to rate or amount. See “APPENDIX A – INFORMATION ABOUT THE ISSUER.”

Section 76.2 of the Code of Iowa, 2025, as amended (the “Iowa Code”) provides that when an Iowa political subdivision issues general obligation bonds, the governing authority of such political subdivision shall, by resolution adopted before issuing the bonds, provide for the assessment of an annual levy upon all the taxable property in the political subdivision sufficient to pay the interest and principal of the bonds. A certified copy of such resolution shall be filed with the County Auditor in which the Issuer is located, giving rise to a duty of the County Auditor to annually enter this levy for collection from the taxable property within the boundaries of the Issuer, until funds are realized to pay the bonds in full.

For the purpose of providing for the levy and collection of a direct annual tax sufficient to pay the principal of and interest on the Bonds as the same become due, the Resolution provides for the levy of a tax sufficient for that purpose on all the taxable property in the Issuer in each of the years while the Bonds are outstanding. The Issuer shall file a certified copy of the Resolution with the County Auditor, pursuant to which the County Auditor is instructed to enter for collection and assess the tax authorized. When annually entering such taxes for collection, the County Auditor shall include the same as a part of the tax levy for Debt Service Fund purposes of the Issuer and when collected, the proceeds of the taxes shall be converted into the Debt Service Fund of the Issuer and set aside therein as a special account to be used solely and only for the payment of the principal of and interest on the Bonds and for no other purpose whatsoever.

Pursuant to the provisions of Section 76.4 of the Iowa Code, each year while the Bonds remain outstanding and unpaid, any funds of the Issuer which may lawfully be applied for such purpose, may be appropriated, budgeted and, if received, used for the payment of the principal of and interest on the Bonds as the same become due, and if so appropriated, the taxes for any given fiscal year as provided for in the Resolution, shall be reduced by the amount of such alternate funds as have been appropriated for said purpose and evidenced in the Issuer’s budget.

**BONDHOLDERS’ RISKS**

An investment in the Bonds involves an element of risk. In order to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement (including the appendices hereto) in order to make a judgment as to whether the Bonds are an appropriate investment.

**Tax Levy Procedures**

The Bonds are general obligations of the Issuer, payable from and secured by a continuing ad-valorem tax levied against all of the taxable property within the boundaries of the Issuer. As part of the budgetary process of the Issuer each fiscal year the Issuer will have an obligation to request a debt service levy to be applied against all of the taxable property within the boundaries of the Issuer. A failure on the part of the Issuer to make a timely levy request or a levy request by the Issuer that is inaccurate or is insufficient to make full payments of the debt service on the Bonds for a particular fiscal year may cause Bondholders to experience delay in the receipt of distributions of principal of and/or interest on the Bonds.

**Changes in Property Taxation**

From time to time the Iowa General Assembly has altered the method of property taxation and could do so again. Any alteration in property taxation structure could affect property tax revenues available to pay the Bonds.

Historically, the Iowa General Assembly has applied changes in property taxation structure on a prospective basis; however, there is no assurance that future changes in property taxation structure by the Iowa General Assembly will not be retroactive. It is impossible to predict the outcome of future property tax changes by the Iowa General Assembly or their potential negative impact, if any, on the Bonds and the security for the Bonds.

### **Matters Relating to Enforceability of Agreements**

Bondholders shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Iowa and of the United States of America for the enforcement of payment of the Bonds, including, but not limited to, the right to a proceeding in law or in equity by suit, action or mandamus to enforce and compel performance of the duties required by Iowa law and the Resolution.

The practical realization of any rights upon any default will depend upon the exercise of various remedies specified in the Resolution or the Loan Agreement. The remedies available to the Bondholders upon an event of default under the Resolution or the Loan Agreement, in certain respects, may require judicial action, which is often subject to discretion and delay. Under existing law, including specifically the federal bankruptcy code, certain of the remedies specified in the Loan Agreement or the Resolution may not be readily available or may be limited. A court may decide not to order the specific performance of the covenants contained in these documents. The legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and public policy and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

No representation is made, and no assurance is given, that the enforcement of any remedies will result in sufficient funds to pay all amounts due under the Resolution or the Loan Agreement, including principal of and interest on the Bonds.

### **Secondary Market**

There can be no guarantee that there will be a secondary market for the Bonds or, if a secondary market exists, that such Bonds can be sold for any particular price. Occasionally, because of general market conditions or because of adverse history of economic prospects connected with a particular issue, secondary marketing practices in connection with a particular Bond or Note issue are suspended or terminated. Additionally, prices of bond or note issues for which a market is being made will depend upon then prevailing circumstances. Such prices could be substantially different from the original purchase price of the Bonds.

EACH PROSPECTIVE PURCHASER IS RESPONSIBLE FOR ASSESSING THE MERITS AND RISKS OF AN INVESTMENT IN THE BONDS AND MUST BE ABLE TO BEAR THE ECONOMIC RISK OF SUCH INVESTMENT. THE SECONDARY MARKET FOR THE BONDS, IF ANY, COULD BE LIMITED.

### **Lack of Rating**

No credit rating for the Bonds has been requested. As a general rule, unrated bonds are less liquid in the secondary market than rated bonds and may bear interest at rates higher than bonds with credit ratings. There can be no assurance that the Bonds will be marketable in the secondary market.

The Issuer has not requested a rating from any nationally recognized rating agency. The Issuer could request a rating at a later date or time and, if said rating is applied, it could affect, positively or negatively, the market value of the Bonds. In addition, if a rating is secured at a later date, that rating could, thereafter, be increased or decreased based solely on the views of the rating agency. Any revision, suspension or withdrawal of a rating may have an adverse effect on the market price of the Bonds.

### **Bankruptcy and Insolvency**

The rights and remedies provided in the Resolution may be limited by and are subject to the provisions of federal bankruptcy laws, to other laws or equitable principles that may affect the enforcement of creditor's rights, to the exercise of judicial discretion in appropriate cases and to limitations in legal remedies against exercise of judicial discretion in appropriate cases and to limitations on legal remedies against municipal corporations in the State of Iowa. The various opinions of counsel to be delivered with respect to the Bonds, the Loan Agreement and the Resolution, including the opinion of Bond Counsel, will be similarly qualified. If the Issuer were to file a petition under chapter nine of the federal bankruptcy code, the owners of the Bonds could be prohibited from taking any steps to enforce their rights under the Resolution. In the event the Issuer fails to comply with its covenants under the Resolution or fails to make payments on the Bonds, there can be no assurance of the availability of remedies adequate to protect the interests of the holders of the Bonds.

Under Sections 76.16 and 76.16A of the Iowa Code, a city, county, or other political subdivision may become a debtor under chapter nine of the federal bankruptcy code, if it is rendered insolvent, as defined in 11 U.S.C. §101(32)(c), as a result of a debt involuntarily incurred. As used therein, "debt" means an obligation to pay money, other than pursuant to a valid and binding collective bargaining agreement or previously authorized bond issue, as to which the governing body of the city, county, or other political subdivision has made a specific finding set forth in a duly adopted resolution of each of the following: (1) that all or a portion of such obligation will not be paid from available insurance proceeds and must be paid from an increase in general tax levy; (2) that such increase in the general tax levy will result in a severe, adverse impact on the ability of the city, county, or political subdivision to exercise the powers granted to it under applicable law, including without limitation providing necessary services and promoting economic development; (3) that as a result of such obligation, the city, county, or other political subdivision is unable to pay its debts as they become due; and (4) that the debt is not an obligation to pay money to a city, county, entity organized pursuant to Chapter 28E of the Iowa Code, or other political subdivision.

### **Forward-Looking Statements**

This Official Statement contains statements relating to future results that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. When used in this Official Statement, the words "anticipated," "plan," "expect," "projected," "estimate," "budget," "pro forma," "forecast," "intend," and similar expressions identify forward-looking statements. Any forward-looking statement is subject to uncertainty. Accordingly, such statements are subject to risks that could cause actual results to differ, possibly materially, from those contemplated in such forward-looking statements. Inevitably, some assumptions used to develop forward-looking statements will not be realized or unanticipated events and circumstances may occur. Therefore, investors should be aware that there are likely to be differences between forward-looking statements and the actual results. These differences could be material and could impact the availability of funds of the Issuer to pay debt service when due on the Bonds.

### **Tax Matters, Bank Qualification and Loss of Tax Exemption**

As discussed under the heading "TAX EXEMPTION AND RELATED TAX MATTERS" herein, the interest on the Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date of delivery of the Bonds, as a result of acts or omissions of the Issuer in violation of its covenants in the Resolution. Should such an event of taxability occur, the Bonds would not be subject to a special redemption and would remain outstanding until maturity or until redeemed under the redemption provisions contained in the Bonds, and there is no provision for an adjustment of the interest rate on the Bonds.

The Issuer will designate the Bonds as "qualified tax-exempt obligations" under the exception provided in Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and has further covenanted to comply with certain other requirements, which affords banks and certain other financial institutions more favorable treatment of their deduction for interest expense than would otherwise be allowed under Section 265(b)(2) of the Code. However, the Issuer's failure to comply with such covenants could cause the Bonds not to be "qualified tax-exempt obligations" and banks and certain other financial institutions would not receive more favorable treatment of their deduction for interest expense than would otherwise be allowed under Section 265(b)(2) of the Code.

It is possible that actions of the Issuer after the closing of the Bonds will alter the tax-exempt status of the Bonds, and, in the extreme, remove the tax-exempt status from the Bonds. In that instance, the Bonds are not subject to mandatory prepayment, and the interest rate on the Bonds does not increase or otherwise reset. A determination of taxability on the Bonds, after closing of the Bonds, could materially adversely affect the value and marketability of the Bonds.

### **DTC-Beneficial Owners**

Beneficial Owners of the Bonds may experience some delay in the receipt of distributions of principal of and interest on the Bonds since such distributions will be forwarded by the Registrar to DTC and DTC will credit such distributions to the accounts of the Participants which will thereafter credit them to the accounts of the Beneficial Owner either directly or indirectly through indirect Participants. Neither the Issuer nor the Registrar will have any responsibility or obligation to assure that any such notice or payment is forwarded by DTC to any Participants or by any Participant to any Beneficial Owner.

In addition, since transactions in the Bonds can be effected only through DTC Participants, indirect participants and certain banks, the ability of a Beneficial Owner to pledge the Bonds to persons or entities that do not participate in the DTC system, or otherwise to take actions in respect of such Bonds, may be limited due to lack of a physical certificate. Beneficial Owners will be permitted to exercise the rights of registered Owners only indirectly through DTC and the Participants. See "APPENDIX E – BOOK-ENTRY SYSTEM."

## **Proposed Federal Tax Legislation**

From time to time, Presidential proposals, federal legislative committee proposals or legislative proposals are made that would, if enacted, alter or amend one or more of the federal tax matters described herein in certain respects or would adversely affect the market value of the Bonds. It cannot be predicted whether or in what forms any of such proposals that may be introduced may be enacted and there can be no assurance that such proposals will not apply to the Bonds. See “TAX EXEMPTION AND RELATED TAX MATTERS” herein.

## **Cybersecurity**

The Issuer, like many other public and private entities, relies on a large and complex technology environment to conduct its operations. As such, it may face multiple cybersecurity threats including but not limited to, hacking, viruses, malware and other attacks on computer or other sensitive digital systems and networks. There can be no assurances that any security and operational control measures implemented by the Issuer will be completely successful to guard against and prevent cyber threats and attacks. Failure to properly maintain functionality, control, security, and integrity of the Issuer’s information systems could impact business operations and systems, and the costs of remedying any such damage could be significant.

The Issuer maintains cybersecurity insurance coverage. The Issuer cannot predict whether this coverage would be sufficient in the event of a cyber-incident.

## **Pension and Other Post-Employment Benefits (“OPEB”) Information**

The Issuer contributes to the Iowa Public Employees’ Retirement System (“IPERS”), which is a state-wide multiple-employer cost-sharing defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by State statute to plan members and beneficiaries. All full-time employees of the Issuer are required to participate in IPERS. IPERS plan members are required to contribute a percentage of their annual salary, in addition to the Issuer being required to make monthly contributions to IPERS. Contribution amounts are set by State statute. The IPERS Annual Comprehensive Financial Report for its fiscal year ended June 30, 2025 (the “IPERS ACFR”), indicates that as of June 30, 2025, the date of the most recent actuarial valuation for IPERS, the funded ratio of IPERS was 92.17%, and the unfunded actuarial liability was approximately \$3.841 billion. The IPERS ACFR identifies the IPERS Net Pension Liability at June 30, 2025, at approximately \$2.323 billion (market value), while its net pension liability at June 30, 2024, was approximately \$3.641 billion (market value). The IPERS ACFR is available on the IPERS website, or by contacting IPERS at 7401 Register Drive, Des Moines, IA 50321.

Bond Counsel, Disclosure Counsel, the Underwriter, and the Issuer undertake no responsibility for and make no representations as to the accuracy or completeness of the information available from the IPERS discussed above or included on the IPERS website, including, but not limited to, updates of such information on the State Auditor’s website or links to other internet sites accessed through the IPERS website.

In fiscal year ended June 30, 2025, the Issuer’s IPERS contribution totaled approximately \$304,521. The Issuer is current in its obligations to IPERS.

Pursuant to Governmental Accounting Standards Board Statement No. 68, IPERS has allocated the net pension liability among its members, with the Issuer’s identified portion at June 30, 2025, at approximately \$639,367, which is measured as of June 30, 2024. While the Issuer’s contributions to IPERS are controlled by state law, there can be no assurance the Issuer will not be required by changes in State law to increase its contribution requirement in the future, which may have the effect of negatively impacting the finances of the Issuer. See “APPENDIX D – AUDITED FINANCIAL STATEMENTS OF THE ISSUER FOR FISCAL YEAR 2025” for additional information on pension and liabilities of the Issuer.

The Issuer operates a single-employer health benefit plan which provides medical/prescription drug benefits for employees, retirees and their spouses. Group insurance benefits are established under the Iowa Code, Chapter 509A.13. The Issuer currently finances the benefit on a pay-as-you-go basis. For the year ended June 30, 2025, the Issuer contributed \$432,720 and plan members eligible for benefits contributed \$59,323 to the plan. At June 30, 2025, no assets have been accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75. Individuals who are employed by the Issuer and are eligible to participate in the group health plan are eligible to continue health care benefits upon retirement. Retirees under age 65 pay the same premium for the medical/prescription drug benefits as active employees, which results in an implicit rate subsidy. Retired participants must be age 55 or older at retirement, with the exception of special service participants who must be age 50 with 22 years of services. At June 30, 2025, 43 active employees were covered by the benefit terms. See “APPENDIX D – AUDITED FINANCIAL STATEMENTS OF THE ISSUER FOR FISCAL YEAR 2025” for additional information on other post-employment benefits of the Issuer.

**Risk of Audit**

The Internal Revenue Service has an ongoing program to audit tax-exempt obligations to determine the legitimacy of the tax status of such obligations. No assurance can be given as to whether the Internal Revenue Service will commence an audit of the Bonds. Public awareness of any audit could adversely affect the market value and liquidity of the Bonds during the pendency of the audit, regardless of the ultimate outcome of the audit.

**Summary**

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should become thoroughly familiar with this entire Official Statement and the appendices hereto.

**LITIGATION**

The Issuer encounters litigation occasionally, as a course of business; however, no litigation currently exists that is not believed to be covered by current insurance carriers and the Issuer is not aware of any pending litigation that questions the validity of these Bonds.

**ACCOUNTANT**

The financial statements of the Issuer as of and for the year ended June 30, 2025, included in this Official Statement as Appendix D, have been audited by the Iowa State Auditor’s Office (the “Accountant”), as stated in their report appearing herein. The Accountant has not been engaged to perform, and has not performed, any procedures on the financial statements after June 30, 2025, and also has not performed any procedures relating to this Official Statement.

The financial statements are prepared on the basis of cash receipts and disbursements, which is a basis of accounting other than U.S. generally accepted accounting principles.

**PLAN OF FINANCING**

The Issuer will use the proceeds of the Bonds to provide funds for the purpose of paying the cost, to that extent, of (a) constructing street, storm water drainage, sidewalk, water system and sanitary sewer system improvements; (b) acquiring and installing street lighting, signage and signalization improvements; and (c) paying certain costs of issuance related to the Bonds.

**SOURCES AND USES OF FUNDS\***

The following are estimated sources and uses of funds, with respect to the Bonds.

<b>Total Sources of Funds</b>	<u>\$</u>

**TAX EXEMPTION AND RELATED TAX MATTERS**

**Federal Income Tax Exemption**

The opinion of Bond Counsel will state that under present laws and rulings, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on noncorporate taxpayers under the Code.

\* Preliminary, subject to change.

The opinion set forth in the preceding sentence will be subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. In the resolution authorizing the issuance of the Bonds, the Issuer will covenant to comply with all such requirements.

There may be certain other federal tax consequences to the ownership of the Bonds by certain taxpayers, including without limitation, corporations subject to the branch profits tax, financial institutions, certain insurance companies, certain S corporations, individual recipients of Social Security and Railroad Retirement benefits, taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations, and corporations that may be subject to the alternative minimum tax. Bond Counsel will express no opinion with respect to other federal tax consequences to owners of the Bonds. Prospective purchasers of the Bonds should consult with their tax advisors as to such matters.

Ownership of the Bonds may result in other state and local tax consequences to certain taxpayers. Bond Counsel expresses no opinion regarding any such collateral consequences arising with respect to the Bonds. Prospective purchasers of the Bonds should consult their tax advisors regarding the applicability of any such state and local taxes.

### **Proposed Changes in Federal and State Tax Law**

From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Bonds or otherwise prevent holders of the Bonds from realizing the full benefit of the tax exemption of interest on the Bonds. Further, such proposals may impact the marketability or market value of the Bonds simply by being proposed. No prediction is made whether such provisions will be enacted as proposed or concerning other future legislation affecting the tax treatment of interest on the Bonds. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax-exempt status of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds would be impacted thereby.

Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

### **Qualified Tax-Exempt Obligations**

In the resolution authorizing the issuance of the Bonds, the Issuer will designate the Bonds as “qualified tax exempt obligations” within the meaning of Section 265(b)(3) of the Code relating to the ability of financial institutions to deduct from income for federal income tax purposes a portion of the interest expense that is allocable to tax-exempt obligations. In the opinion of Bond Counsel, the Bonds are “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code.

### **Original Issue Premium**

The Bonds maturing in the years \_\_\_\_\_ are being issued at a premium to the principal amount payable at maturity. Except in the case of dealers, which are subject to special rules, Bondholders who acquire the Bonds at a premium must, from time to time, reduce their federal tax bases for the Bonds for purposes of determining gain or loss on the sale or payment of such Bonds. Premium generally is amortized for federal income tax purposes on the basis of a bondholder’s constant yield to maturity or to certain call dates with semiannual compounding. Bondholders who acquire any Bonds at a premium might recognize taxable gain upon sale of the Bonds, even if such Bonds are sold for an amount equal to or less than their original cost. Amortized premium is not deductible for federal income tax purposes. Bondholders who acquire any Bonds at a premium should consult their tax advisors concerning the calculation of bond premium and the timing and rate of premium amortization, as well as the state and local tax consequences of owning and selling the Bonds acquired at a premium.

### **Original Issue Discount**

The Bonds maturing in the years \_\_\_\_\_ (collectively, the “Discount Bonds”) are being sold at a discount from the principal amount payable on such Discount Bonds at maturity. The difference between the price at which a substantial amount of the Discount Bonds of a given maturity is first sold to the public (the “Issue Price”) and the principal amount payable at maturity constitutes “original issue discount” under the Code. The amount of original issue discount that accrues to a holder of a Discount

Bond under Section 1288 of the Code (“Section 1288”) is excluded from federal gross income to the same extent that stated interest on such Discount Bond would be so excluded. The amount of the original issue discount that accrues with respect to a Discount Bond under Section 1288 is added to the owner’s federal tax basis in determining gain or loss upon disposition of such Discount Bond (whether by sale, exchange, redemption or payment at maturity).

Interest in the form of original issue discount accrues under Section 1288 pursuant to a constant yield method that reflects semiannual compounding on dates that are determined by reference to the maturity date of the Discount Bond. The amount of original issue discount that accrues for any particular semiannual accrual period generally is equal to the excess of (1) the product of (a) one-half of the yield on such Discount Bonds (adjusted as necessary for an initial short period) and (b) the adjusted issue price of such Discount Bonds, over (2) the amount of stated interest actually payable. For purposes of the preceding sentence, the adjusted issue price is determined by adding to the Issue Price for such Discount Bonds the original issue discount that is treated as having accrued during all prior semiannual accrual periods. If a Discount Bond is sold or otherwise disposed of between semiannual compounding dates, then the original issue discount that would have accrued for that semiannual accrual period for federal income tax purposes is allocated ratably to the days in such accrual period.

An owner of a Discount Bond who disposes of such Discount Bond prior to maturity should consult owner’s tax advisor as to the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bond prior to maturity.

Owners who purchase Discount Bonds in the initial public offering but at a price different than the Issue Price should consult their own tax advisors with respect to the tax consequences of the ownership of Discount Bonds.

The Code contains provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. Owners who do not purchase Discount Bonds in the initial offering should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

Original issue discount that accrues in each year to an owner of a Discount Bond may result in collateral federal income tax consequences to certain taxpayers. No opinion is expressed as to state and local income tax treatment of original issue discount. All owners of Discount Bonds should consult their own tax advisors with respect to the federal, state, local and foreign tax consequences associated with the purchase, ownership, redemption, sale or other disposition of Discount Bonds.

## **LEGAL MATTERS**

Legal matters incident to the authorization, issuance and sale of the Bonds and with regard to the tax-exempt status of the interest thereon (see “TAX EXEMPTION AND RELATED TAX MATTERS” herein) are subject to the approving legal opinion of Dorsey & Whitney LLP, Des Moines, Iowa, Bond Counsel, a form of which is attached hereto as “APPENDIX B – FORM OF BOND COUNSEL OPINION.” Signed copies of the opinion, dated and premised on law in effect as of the date of original delivery of the Bonds, will be delivered to the Underwriter at the time of such original delivery. The Bonds are offered subject to prior sale and to the approval of legality of the Bonds by Bond Counsel. Dorsey & Whitney LLP is also serving as Disclosure Counsel to the Issuer in connection with issuance of the Bonds.

The legal opinion to be delivered will express the professional judgment of Bond Counsel, and by rendering a legal opinion, Bond Counsel does not become an insurer or guarantor of the result indicated by that expression of professional judgment or of the transaction or the future performance of the parties to the transaction.

## **CONTINUING DISCLOSURE**

The Issuer will covenant in a Continuing Disclosure Certificate for the benefit of the Owners and Beneficial Owners of the Bonds to provide annually certain financial information and operating data relating to the Issuer (the “Annual Report”), and to provide notices of the occurrence of certain enumerated events. The Annual Report is to be filed by the Issuer no later than twelve months after the close of each fiscal year, commencing with the fiscal year ending June 30, 2026, with the Municipal Securities Rulemaking Board, at its internet repository named “Electronic Municipal Market Access” (“EMMA”). The notices of events, if any, are also to be filed with EMMA. See “APPENDIX C – FORM OF CONTINUING DISCLOSURE CERTIFICATE.” The specific nature of the information to be contained in the Annual Report or the notices of events, and the manner in which such materials are to be filed, are summarized in “APPENDIX C – FORM OF CONTINUING DISCLOSURE CERTIFICATE.” These covenants have been made in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the “Rule”).

During the previous five years, the Issuer did not timely file notices of incurrence of financial obligations, did not timely file certain annual operating data for its fiscal year ended June 30, 2020, and did not timely file notice of its failure to provide the aforementioned information on or before the date specified in its prior continuing disclosure undertakings.

## UNDERWRITING

The Bonds are being purchased, subject to certain conditions, by D.A. Davidson & Co. (the "Underwriter"). The Underwriter has agreed, subject to certain conditions, to purchase all, but not less than all, of the Bonds at an aggregate purchase price of \$ \_\_\_\_\_ (reflecting the par amount of the Bonds with original issue premium of \$ \_\_\_\_\_ and an underwriter's discount of \$ \_\_\_\_\_).

The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into unit investment trusts, certain of which may be sponsored or managed by the Underwriter) at prices lower than the initial public offering prices stated on the cover page. The initial public offering prices of the Bonds may be changed, from time to time, by the Underwriter.

The Underwriter intends to engage in secondary market trading of the Bonds subject to applicable securities laws. The Underwriter is not obligated, however, to repurchase any of the Bonds at the request of the holder thereof.

**OTHER OBLIGATIONS**

From time to time the City, pursuant to Section 403.9 of the Iowa Code and the Issuer's urban renewal plans, has entered into Development Agreements which contain payment obligations from the Issuer to an external party. The Issuer's payment requirements under these contracts are not structured as general liabilities of the Issuer, but rather are exclusively secured by and payable from a pledge of the City's incremental property tax revenues (TIF) to be derived from the taxable properties (or some subset thereof) contained within an urban renewal area of the Issuer pursuant to Section 403.19 of the Iowa Code. The City's payment obligations under these contracts are routinely contingent upon development or redevelopment performance requirements of the external party and are typically made subject to annual appropriation rights by the City Council. TIF Payments under these contracts are typically due and owing semi-annually on December 1 and June 1 of each fiscal year of the City.

The following table contains information on the City's more significant Development Agreements, each subject to annual appropriation by the City:

**APPENDIX B  
FORM OF BOND COUNSEL OPINION\***

We hereby certify that we have examined certified copies of the proceedings (the "Proceedings") of the City Council of the City of Nevada (the "Issuer"), in Story County, Iowa, passed preliminary to the issue by the Issuer of its General Obligation Corporate Purpose Bonds, Series 2026A (the "Bonds") in the amount of \$3,000,000, in the denomination of \$5,000 each, or any integral multiple thereof, dated March 25, 2026, in evidence of the Issuer's obligation under a certain loan agreement (the "Loan Agreement"), dated as of March 25, 2026. The Bonds mature on June 1 in each of the respective years and in the principal amounts and bear interest payable semiannually on June 1 and December 1 in each year, commencing December 1, 2026, at the respective rates as follows:

<u>Date</u>	<u>Principal</u>	<u>Interest Rate</u>
2027	\$810,000	____%
2028	\$600,000	____%
2029	\$630,000	____%
2030	\$470,000	____%
2031	\$490,000	____%

Principal of the Bonds is not subject to optional redemption prior to maturity.

Based upon our examination, we are of the opinion, as of the date hereof, that:

1. The Proceedings show lawful authority for such issue under the laws of the State of Iowa.
2. The Bonds and the Loan Agreement are valid and binding general obligations of the Issuer.
3. All taxable property within the corporate boundaries of the Issuer is subject to the levy of taxes to pay the principal of and interest on the Bonds without constitutional or statutory limitation as to rate or amount.
4. The interest on the Bonds (including any original issue discount properly allocable to an owner thereof) is excluded from gross income for federal income tax purposes and is not treated as a preference item in calculating the federal alternative minimum tax imposed on noncorporate taxpayers under the Internal Revenue Code of 1986 (the "Code"). The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds.
5. The Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that the Bonds be, or continue to be, qualified tax-exempt obligations. The Issuer has covenanted to comply with each such requirement.

We express no opinion regarding other federal tax consequences arising with respect to the Bonds. We note, however, that interest on the Bonds may be taken into account in determining adjusted financial statement income for purposes of the federal alternative minimum tax imposed on applicable corporations (as defined in Section 59(k) of the Code).

The rights of the owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

## APPENDIX E

### BOOK-ENTRY SYSTEM

*The information in this Appendix concerning The Depository Trust Company, New York, New York ("DTC") and DTC's book-entry system has been obtained from DTC. Neither the Underwriter nor the Issuer take responsibility for the accuracy or completeness thereof, or for any material changes in such information subsequent to the date hereof, or for any information provided at the web sites referenced below. Beneficial Owners should confirm the following with DTC or the Direct Participants (as hereinafter defined). So long as Cede & Co. is the Registered Owner of the Bonds, as nominee of DTC, references in the Official Statement to the Bondowners or Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.*

#### **Book-Entry System**

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of the Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative,

Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer does not take any responsibility for the accuracy thereof.
