

July 27th / 2026

Water Pollution Control Council Report

- Regular operation, monitoring & maintenance of the wastewater treatment plant, lift stations, and remote flow basin.
- Consulted DNR in relation to bypass pumping during I&I events.
 - Awaiting official response from Bryan Bunton.
- Referenced archived files in relation to 15th & H.
 - Study conducted in 2016 estimated the pump station when in full operation pumps 800-850 Gallons per Minute.
 - Conducting Drawdown Test to determine pump efficiency.
- Phase 2 conducted Oxidation Ditch Velocity Performance Testing.
 - Recorded performance went well at all levels of mixing at proper elevations.
- WAS pump was inspected and repairs were conducted.
 - Rotary Lobes were replaced
 - Interior Wear Walls were replaced
- Leadership Nevada toured City Facilities 7/23
 - Rotary Tour is scheduled for 29th
 - If anyone or any organization is interested at a closer look at the Treatment Facility they can reach out by contacting the office number to schedule a visit.
- Ongoing Punch list work being logged and completed at Phase 2.
- Ongoing Warranty Work Orders completed as assigned at Phase 3.
 - Lighting fixtures have been delivered and installed.
- Advancing Continuing Ed Credits for staff.

RE: 2026 Summer Reading Finale

Dear Dylan:

I received your emailed letter dated July 13, 2026, concerning a Summer Reading Finale event. This event will be on July 31, 2026. In order to support this event, you are requesting to close K Avenue from the east side of the alley to the west side of 7th Street from 5:00PM to 8:00PM. In addition, you should restrict parking in this same area from 4:00PM to 8:00PM. In years past, you have used barricades from the Streets Department. If this is your intent for this year, you need to contact Joe Mousel to arrange for this.

Your Street Closure Request is Approved

You will need to place the signage for the parking restrictions prior to the 4:00PM closure. The earlier you post these, the better response you will receive. The Nevada Public Safety Department has "No Parking" signs that you may use at no cost. You will need to retrieve them from the Nevada Public Safety Department and return them the next day.

You have indicated you will communicate with the Methodist Church about the roadway restriction. Please ensure this is completed prior to the event.

Should you have any questions please let me know. Thanks again,

Respectfully,

Chris Brandes
Public Safety Director
Chief of Police
