RE: Recommendation for Fire Department Probationary Membership Status.
Joseph Winter

An application has been received from the above-mentioned applicant for membership with the Nevada Fire Department. A background check and the chief's interview were completed. The membership review was conducted. Per department Standard Operating Guidelines for new applicants, it is my recommendation these applicants be approved as a probationary member of the Nevada Fire Department. Their probationary period is one-year upon completion of permanent membership training requirements.

Please contact me should you have questions regarding this memorandum.

Respectfully,

Ray Reynolds, Director of Fire & EMS
