RECYCLING OPTIONS

Option 1: Centralized Recycling Bin(s)
A small number of recycling bins placed in one or more central, high-traffic locations (such as near public facilities or downtown areas) where residents can drop off materials.

Option 2: Subscription-Based Service (Opt-In/Opt-Out)
A voluntary program where residents can choose to subscribe to recycling services for a recurring fee.

Option 3: Citywide Contract (Universal Participation)
A comprehensive recycling program where all residents participate, typically funded through a citywide fee or utility billing structure.
