S.C.O.R.E. Capital Campaign – Bequest from the Estate of Suzanne Ammerman

The City of Nevada has been notified of a generous bequest from the estate of Suzanne (Fawcett) Ammerman, who passed away on May 5, 2026, at the age of 93. Suzanne grew up in Nevada and was the daughter of Harold and Marjorie Fawcett. Her family has a longstanding connection to the community and the S.C.O.R.E. project, which was supported by her father, Harold Fawcett, and Josephine (Fawcett) Tope.

In her will, Suzanne designated a gift to the City of Nevada for the exclusive benefit of the S.C.O.R.E. Capital Campaign (Story County Outdoor Recreation for Everyone).

The funds are specifically designated to complete any unfinished park features identified in the S.C.O.R.E. master plan or to support continued improvements and maintenance of the park.

Suzanne's son, Dean Ammerman, is serving as trustee and has been working with City staff to coordinate this transfer.
